Good Morning Vail Crew!

Happy Spring Equinox :) Looking to be a variable day on the mountain. Possibility for rain and gusty winds after 11am. The National Weather Service has issued a Winter Weather Advisory in effect 11am Monday- 5am Tuesday stating: "Periods of snow expected from Monday into Tuesday". I'll see ya'll on the mountain today. Off the Grid (Zachs) is where to be for some morning corduroy carving. Thank you to our amazing Grooming Team! :)
